

ELKO HIGH SCHOOL BAND OF INDIANS BAND FEE POLICIES

Annual Band Fees are \$300 per student. Specific auxiliary or equipment fees may be required based on a student's participation in a particular section or auxiliary. Band fees are intended to cover uniforms, music, equipment, drill design, entry fees, competition travel expenses, etc. for the entire band. ALL Students are required to pay the band fee in order to have a spot in the field show or to travel to competitions.

The first half (50%) of each student's Band Fees are due no later than 6/15/08.

ALL Band Fees shall be paid in full, no later than 9/1/08.

Students who drop from band after 9/1/08 are still responsible for payment of the annual Band Fee.

All Band Fees are non-refundable. If a student drops from band any fees, fundraising, or payments are forfeited to the general fund of the EHS Band.

All fees must be paid in full by the deadline or your student **will not travel**.

Payments and fundraising monies will be applied to outstanding past due balances first, then to current year band fees, then to any current year trip fees.

Students who have payments, fundraising or payments that are in excess of their current year fees may carry forward the credit towards the following school year band fees.

Fundraising monies are credited to student accounts when the band receives payment for the event. Please be patient, some payments through our various events may take some time to be received. Fundraising monies are not refunded under any circumstances. If a student drops from the band program, fundraising monies they have raised are forfeited to the general fund of the EHS Band.

At various times the band may travel to special events. The additional cost for travel will be announced as far in advance as possible. Trip fees will be charged to each student's account when the cost of the trip is decided. Trip fees are non-refundable and non-transferable. No Student will travel with the band for a special event unless their trip fees are paid in full. Deadlines for payment will be adhered to and students will forfeit their trip fees and participation in these special travel events if fees are not received in accordance with the timelines set. Students who choose not to attend after deadlines are set will still be liable for travel costs as set out in the cancellation policy established at the time that the trip is announced.
